10	<p>Read the following text and answer the questions.(1.5)</p> <p>A dictionary is a book which explains the meanings of words and expressions. You can find words easily because dictionaries put them in alphabetical order. The word ‘dictionary’ comes from the Latin ‘dictio’(‘saying’).</p> <p>There are several types of dictionaries. Dictionaries which explain words and how they are used; dictionaries which translate words from one language to another; dictionaries of biography which tell about famous people; and technical dictionaries which explain the meanings of technical words.</p> <p>A complete dictionary also tells you about the origin of words and the story behind them. For example, the words like ‘pajamas’, ‘bazaar’ and ‘paradise’ entered English from Persian.</p> <p>Questions:</p> <p>39. Why we find words in a dictionary easily?</p> <p>.....</p> <p>40.
